

Asbury UMC Childcare

We are excited that Spring has finally Sprung! Asbury Childcare is getting some fresh new looks. Please stop by our center to see some of the exciting renovations that we are making. This February we added another Toddler 2 class. We are both excited and thankful that God is working in our center and allowing us to grow.

We have some new additions to Ms. Shaneel and Ms. Melissa's class.

The University of Delaware Cooperative Extension has dropped off 2 chicken eggs that the children will watch and learn about the growth cycle of a chicken. The Baby chicks will arrive very quickly and the classes will then learn how to care for our new friends before they go to their new farms. Be sure to check our Facebook Page [Asbury Methodist Child Care](#) for all the newest pics of our friends.

Upcoming Events

April 18

Annual Easter Egg Hunt

May 9

Mother's Day Tea

Important Announcement

Our Preschooler's will be having a graduation ceremony on Thursday June 7th. If anyone would like to donate baked goods or drinks for our celebration it would be greatly appreciated.

A shout out to all the teachers who work hard every day. To the Child Care Committee for their continued support and most importantly to God who continues to bless us. With all of this support we were able to have a fully compliant review from the Office of Childcare Licensing! Way to Go!

Special Thanks!

We would like to thank the Boy Scout Troop for the outside worship area. We held our first of many outdoor Chapel sessions with Pastor Tracy. The children were excited to be outside learning about God as the sun was shining!

Psalm 139:14 – I praise you God, for I am fearfully and wonderfully made.
