Baby Bottle Benefit

Asbury United Methodist has joined local churches to raise necessary funds for A Door of Hope Pregnancy Center, a local ministry giving free help and holistic resources to women who are vulnerable to abortion. A Door of Hope Pregnancy Center celebrates women and motherhood every day, with every young woman who chooses life for her unborn child. Thank you for supporting ADOH's mission-giving gospel hope and practical support to mothers, babies, and families with significant needs. There is still time to participate.

GriefShare is a support group that meets weekly for those who have lost a loved one. We will now be holding **two meetings on Mondays** so we can reach those that would like support, but would like to attend in the evening. Please join us on Mondays beginning June 10th in room 5 at 1:00pm and 6:30pm as we start a new 13 week cycle. For more information see Georgie Miller.

Asbury's Organ:

Just to make the congregation aware, our organ is in need of repair and, if not, it has the potential of 'smoking' as it has done in the past.

We wanted to let everyone know that this is the reason that the piano has been played quite a bit recently but the organ has not. We have an estimate for organ repairs that is \$2985 plus labor costs. Rather than use our church budget or have a special offering, we thought that we'd notify the congregation to see if anyone would like to be an 'organ benefactor' if you are someone who has been missing its beautiful music. If this is you, please contact the church office or Bob Shephard, Asbury's Treasurer.
